Re: United States v. Hsien Lin Hsu  
Criminal Docket No. 16-M-579 (VVP)

Dear Mr. Wallenstein:

The government writes to provide notice to the defendant that, as previously discussed, the approximately 135 turtles seized from the defendant's residence on or about May 18, 2016, may be dispersed and therefore unavailable at trial. To preserve the arrest evidence in this case, the government has photographed the turtles. The government requests that, within 30 days, the defendant provide notice if he seeks to have the turtles examined prior to their dispersion.

Very truly yours,

ROBERT L. CAPERS  
United States Attorney
